## Grade 6 Skating

Ms Magdiak's Grade 7 LA class invited the kindergartners to their class last week. They had a great time making memories and reading children's books to the little ones. What a wonderful way to prepare to write their own short stories in the upcoming weeks.

The 3Bs did a Paper Chain STEM Challenge to see which team could make the longest paper chain with 2 pieces of paper, glue, and scissors in 10 minutes. The kids had a blast and came up with some great strategies to make some pretty awesome paper chains.

# Panther Update

Our girls placed 1st and our boys placed 2nd at our home tournament. So proud of our athletes! They worked hard and it showed. Go Panthers Go!
