Be the Best You Can Be

Dear Parents:

Glen Avon Junior High physical education classes will be starting their skating unit in December. Students will need the following items for skating:

1. A pair of skates
2. Gloves or mitts
3. Proper clothing to wear to and from the arena
4. A CSA approved helmet.

Alberta Education has mandated safety guidelines for physical education activity in Alberta Schools, so it is mandatory for all students participating in skating to wear a CSA approved helmet. EXTREME WEATHER

Is my child's bus running? Coming home early?

Throughout the winter, weather and road conditions are constantly monitored with the safety of students and staff at the center of all of our decisions. We strive to inform parents of any delays or cancellations as quickly as possible. Here's how you may be notified:

- Bus driver contact
- Call/text from your school
- Local radio stations
- Bus Status app
- Division social media (Facebook and Instagram)
- Division website
<https://www.stpauleducation.ab.ca/transportation/bus-status>

How we decide:

When temperatures and/or wind chill is -40 or colder, buses are CANCELLED. Notice may be given the night before or in the morning.

-40°C

Buses may run in the afternoon during extreme cold weather under certain circumstances.

Weather checks start very early with The Weather Network and phone calls to designated staff living in each local area.

Even if buses are cancelled schools remain **OPEN**.

- If your child attends: meaningful learning still occurs
- If your child is absent: efforts will be made to ensure they do not fall behind

Decision is based on:

- Local road conditions
- RCMP travel advisories
- Weather and wind warnings
- Local municipality

Your bus driver also has complete discretion to cancel a route should they feel travel is unsafe.

If a decision is required around temperature and/or road conditions, the Director of Transportation consults with:

- Local bus drivers
- School principals
- Superintendent of Schools

Parents always have the final say about their child's safety and well-being and can always choose whether or not to have their child take the bus.

The Nations of Saddle Lake, Whitefish Lake and Frog Lake make independent decisions about their buses. Please contact them directly for any questions regarding their transportation policies.
