

Dear Parents and Guardians:

In-person parent teacher interviews are scheduled for Thursday, February 22 from 4:30-7:30pm. All interviews (K-9) will be by appointment and **we encourage you to bring your child with you.** If parents are unable to come in person and would like to request a phone call, they can do that by emailing the teacher or communicating through Class Dojo. Teachers will attempt to make those phone calls on Thursday night in any open appointment slots. If they are unable to complete all requested calls on Thursday, parents can expect a phone call sometime during the following week. As the evening is very busy with appointments and calls, we highly recommend that you book appointments as we cannot guarantee that there will be an opportunity for you to meet if you drop-in.

*Upon clicking on the link to book, you may need to click on the words “Jump to the next available date” to find the appointment slots.
